On May 31, June 1, 2014 all defendants above, as well as plaintiff, were in a police ~~standoff~~ in the City of Ellsworth. This started off as a ~~civil~~ matter, but because of the police officer that was first on the scene. The situation became out of control. The responding office. Troy Bires, pulled out his gun, pointed it at this plaintiff's, without any provocation from above plaintiff's. He kept his gun pointed at head trying to intimidate me, yelling and screaming at me to give him the tractor key I had. I sowed this officer I was unarmed, Still he kept his gun pointed at my head. I was not threat to him. [State briefly exactly what you want the court to do for you. Make no legal arguments. Cite no cases or statutes.]

The relief my wife and I are seeking at this time is two-fold. #1. To make sure this officer is exposed, and his unjust actions brought to the publics attention, So he dose not do this again to another human being. I was shot in the face/head, because of this officer abuse of power, and then extreme excessive force was used to end this standoff. My wife and I, are also seeking compensation in the amount of Ten Million Dollars.
